

You Are Needed!

We are currently looking for a few volunteers to join our Environment Committee for a two-year or three-year term.

If you are a local resident of the Town of Vermilion or the County of Vermilion River and are interested in environment related causes, we encourage you to email a letter of interest.

The Committee meetings are held at 7:00 pm at the Town Hall once a month.

If you are interested in joining the Environment Committee or require more information please contact:
